Commenting on the performance, Mr. Balakrishnan, Managing Director & CEO of Basilic Fly Studio Limited said, "We are thrilled with the robust performance of One of Us following its successful acquisition. The impressive order book of over £20 million across features and tv series, spanning both completed and ongoing work, is a testament to the strength of our combined capabilities and the strategic alignment of our businesses. The high-profile projects delivered in 2024, such as Beetlejuice and The Killer, strengthen our status as one of the leading players in the global visual effects industry.

Looking ahead, our current production pipeline, which includes major projects like Wheel of Time and Witcher, continues to highlight the trust placed in us by leading studios and streaming platforms. We are confident that this momentum will drive significant growth and elevate our creative achievements in the VFX space. We are especially excited about the potential for expansion in key markets such as France with projects like Peaky Blinders and the upcoming Maggie Gyllenhaal Feature positioning us for continued success."

About Basilic Fly Studios Limited

Founded over a decade ago by Directors Mr. Balakrishnan and Mrs. Sundaram Yogalakshmi, Basilic Fly Studio (BFS) has evolved from a modest team of skilled artists into a prominent player in the global VFX industry. The company was converted into a private limited company in 2016 and later got listed on the NSE Emerge platform in 2023, marking a significant milestone in its growth and expansion. Initially focusing on core support services such as Roto, Prep, Tracking, Assets, and Compositing, BFS now boasts a workforce of over 800 artists as a group entity. With a bold vision to become a comprehensive VFX studio and excel in all aspects of digital storytelling, BFS has consistently pushed the boundaries of both technological and creative innovation. The studio has contributed to major projects like Avatar, Avengers: Endgame, and The Last of Us, earning a reputation for excellence. Today, BFS is a hub for top industry talent from India and abroad. The studio's remarkable growth underscores its unwavering commitment to quality and its ability to thrive in the ever-evolving world of visual effects.

Driven by strong growth prospects, BFS seeks regional diversification in the international market and aims for expansion in Europe and North America. In FY24, BFS reported total revenues of ₹103 crore, with an EBITDA of ₹52 crore and a PAT of ₹36 crore.
